

Questions Number Two

Below are a few questions I have regarding the RFP for Gulf Coast State College...

- 1) What is the average monthly outstanding balance in the concentration account? **See statements.**
- 2) Which format/file type is preferred for electronically uploading the transactional data detail? **Fixed width.**
- 3) What are the preferred examples of functionality (screen shots, demos, etc.)? **The method for each institution that provides the information in a self-explanatory format.**
- 4) On the Debit Card Account, it is indicated that online maintenance of cards will be needed. What type of card maintenance will need to be performed online? **Ability to terminate a card immediately.**
