**Section I: Details**

Voluntary consent is necessary to participate in electronic transactions for all federally required notices and authorizations to Federal Student Aid recipients per 34 CFR 668.165 (The Electronic Signatures in Global and National Commerce Act E-Sign Act).

If you choose to voluntarily consent to participate in electronic transactions then you will receive federally required notifications via email and you can submit federally required authorizations via the internet, e.g. Lighthouse.

If you choose not to voluntarily consent to participate in electronic transactions then you will receive federally required notifications via regular mail and you will have to submit federally required authorizations via paper.

You only have to complete this consent form once while you are at GCSC, as it may stand for your entire GCSC career, but you may rescind this consent at any time by writing to the Financial Aid Office.

By signing below you are stating that you understand and agree that Gulf Coast State College uses e-mail as an official method of communication with you, and that you are therefore responsible for reading the e-mails you receive from Gulf Coast State College on a timely basis. Be advised that you will receive courtesy emails from the Financial Aid Office regardless of your answer to this question.
