General Educ	ation (36 Hours)			Major Electives
Transfer track programs often require that you take specific general education courses in each general education area. Below are the general education requirements for your program. Consult with your Faculty Advisor if you have any questions.				The purpose of this transfer track is to prepare students for transfer into a baccalaureate program that will prepare students to become dietitians and nutritionists. In addition, the baccalaureate program
Communications (6 credits)	Natural Sciences (6 credits)			will also prepare the student for institutional food
