Transfer Track: Environmental Science	ral Science Option	Intended Bachelor's Program:				
General E	tion (36 Hours)			Major Electives		
Transfer track programs often require that you take specific general education courses in each general education area. Below are the general education requirements for your program. Consult with your Faculty Advisor if you have any questions.				This transfer track prepares students to enter environmental science programs having emphasis on the research and field aspects rather		
Communications (6 credits)	Natural Sciences (6 credits)			than the policy-making aspects of environmental
