Transfer Track: Medical Option		Intended Bachelor's Program:		
General Education (36 Hours)		Major Electives		
Transfer track programs often require that you take specific general education courses in each general education area. Below are the general education requirements for your program. Consult with your Faculty Advisor if you have any questions.			This transfer track is designed to prepare students to select an appropriate major, transfer to the university, and to take the Medical College	
Communications (6 credits)	Natural Sciences (6 credits)		Admission Test (MCAT). Most medical schools are more concerned with the overall scope and quality
