## **Introduction**

---

The purpose of this publication is to provide the public, and the students, faculty, administration, and staff of Gulf Coast State College with a common set of basic data and statistics from which to develop their perceptions of the college environment. The data and statistics are accurate and precise; however, the college and the environment in which it exists are continually changing and the information presented may change in response.

## **About Gulf Coast State College**

---

Serving the community since 1957, Gulf Coast State College was the first public two-year institution to open after the 1957 Florida Legislature established a statewide network of community colleges. Located in Panama City on Florida's Emerald Coast, Gulf Coast is one of 28 public colleges in the state, all located within commuting distance of 96 percent of the population. Dr. Ted W. Booker was named the first president (1957-1960), followed by Dr. Richard E. Morley (1960-1976), Dr. Lawrence W. Tyree (1976-1988), Dr. Robert L. McSpadden (1988-2007), Dr. A. James Kerley (2007-2014), Dr. John R. Holdnak (2014-2022), Dr. Cheryl Flax-Hyman (2022-2023), and Mr. Glen McDonald (2023- present).

The College has gone through several name changes over the decades beginning with Gulf Coast Community College in 1957. In 1958, the name changed to Gulf Coast Junior College, prompted by a change in mission to restrict offerings to academic programs. In 1970, the College changed its name again back to Gulf Coast Community College as its mission expanded to include service to the community. In 2011, the name changed to Gulf Coast State College after receiving accreditation to award four-year degrees, better reflecting the expanding mission within the defined service district.

To serve the higher education needs of African-Americans in the community, Rosenwald Junior College opened in 1958 on the campus of Rosenwald High School, and Calvin Washington was named president. On May 18, 1966, Rosenwald Junior College merged into Gulf Coast Junior College.

The Panama City Campus opened on September 17, 1957, with 181 students, and through the spring of 1960, the College operated in temporary facilities at the Wainwright Shipyard (located across the street from the present location at 5230 West Highway 98). The City of Panama City provided 40 acres for the permanent campus overlooking St. Andrew Bay; the College purchased the remaining 40 acres. Construction of new buildings on the campus began in 1959, with the actual move to the new campus completed the next year.

## **Accreditation**

---

Gulf Coast State College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Gulf Coast State College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Gulf Coast State College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

## Statement of Values

---

Holding true to its vision and working continuously on mission, Gulf Coast State College affirms these values as essential to all the college is and does:

- Boldness of vision
- Responsiveness to the community
- Culture of honesty and trust
- Open expression of ideas
- Diversity of thought and culture
- Flexibility and agility
- Ease of access and affordability
- Outstanding teaching and service
- Creativity and innovation
- Purposeful work

## Vision Statement

---

Gulf Coast State College will deliver life-changing learning opportunities and will join as a full partner in dynamic cultural and economic development of the region.

## Mission Statement

---

Gulf Coast State College holds students and community of central importance. The college provides many opportunities for learning and offers a range of programs and services to help students become well-educated, productive citizens. The college is equally dedicated to collaborating with the community to help create or improve economic well-being and to offer the space of the college for social dialog, events of art and culture, and other moments that enhance our quality of life.

## Gulf Coast State College Foundation

---

### *History, Vision, and Mission*

The Gulf Coast State College Foundation, Inc. was incorporated on October 16, 1967 by the State of Florida as a 501(c)(3) non-profit corporation. The original charter was signed by Dr. Richard Morley, president of Gulf Coast Community College at the time of incorporation, Captain Mark Starkweather, Mrs. Mark Starkweather, Mrs. M.F. Parker, Mr. Amos Howard, Mr. John Moseley, and Mr. Roland Vines. Since that time, the Foundation has grown considerably in membership and assets while remaining faithful to its original philosophy and purpose.

### *Vision Statement*

Based on the principles of trust and integrity, the vision of the Gulf Coast State College Foundation is to advance the causes of Gulf Coast State College.

### *Mission Statement*

The Gulf Coast State College Foundation's mission is to create a scholarship program providing educational opportunities to deserving students. Further, the mission of the Foundation is to enhance the educational programs and student services available at Gulf Coast State College. Through the active involvement and leadership of citizens united by these purposes, the Foundation serves as an effective liaison between the College and the community. The Foundation assists the College in enriching the community through cultural opportunities and in enhancing the economic development of the community with educational programs.

## 2022-2027 Strategic Plan

---

### Direction One: Learning First

*Create a culture that focuses on student success by promoting academic excellence and continued improvement in the teaching and learning process.*

#### Strategic Goals:

- Provide rigorous, engaging, and evidence-based instructional methods and innovative curricular designs
- Increase methods to incorporate technology into pedagogical practice to optimize student learning
- Provide ongoing and timely professional development on best practices and cross-curricular collaboration
- Increase active and contextualized learning and experiential learning opportunities
- Develop flexible programs and delivery options that allow students and graduates to compete successfully in the local, state, and regional economy

#### Key Performance Indicators:

- Increase the number of students experiencing active and collaborative learning on Community College Survey of Student Engagement (CCSSE) by 4 points over 2022 baseline
- Increase fall-to-fall retention by 10% (2022-2027) disaggregated by student characteristics
- Increase the number of degree-seeking students completing an associate degree within three years (full-time students) and six years (part-time students), disaggregated by student characteristics, by 10% (2022-2027)

### Direction Two: Student Success

*Continuously develop new and innovative approaches to recruit, retain and graduate students.*

#### Strategic Goals:

- Develop strategic interventions for first-generation students and underrepresented communities
- Provide increased access to robust tutorial support at critical points along student progression
- Embed support services, with a focus on academic advising and mental health services, across clearly defined academic pathways
- Expand opportunities for students to be involved with the community via applied learning such as service learning, civic engagement, experiential learning, and volunteer experiences
- Engage students in extra and co-curricular activities that promote learning outside of the classroom

#### Key Performance Indicators:

- Increase enrollment (FTE) by 10% (2022-2027) disaggregated by student characteristics
- Increase the number of students experiencing support for learning on CCSSE by 4 points over 2022 baseline
- Increase the number of students participating in high-impact practices to include academic advising, service learning, tutorial support and extra/co-curricular activities (establish baseline in 2022-23)
- Increase the number of students completing English and math courses within the first 24 credits by 10% (2022-2027)

### Direction Three: Accessibility and Student Engagement

*Promote a culture of civility to include openness, trust, collaboration and mutual respect that is built upon a range of diverse backgrounds, ideas, and perspectives that enhance student learning and institutional improvement.*

#### Strategic Goals:

- Implement policies and practices that close achievement gaps in student success and increase retention and completion rates of all students
- Increase accessibility for all students to support the open-door mission of the college
- Develop and implement accessibility and student engagement practices that enhance the campus climate and student success

#### Key Performance Indicators:

- Increase the percentage of students to attend GCSC in the year following high school disaggregated by demographics by 10% (2022-2027)
- Increase enrollment of non-traditional students (age 25 and older) by 4% (2022-2027)
- Develop new programs/initiatives to support student engagement for all student populations

### Direction Four: Community Connections

*Partner with constituents to align programs to strengthen the educational, social and economic vitality of community.*

#### Strategic Goals:

- Promote college engagement with community organization and businesses to increase the region's awareness of the College's mission and services
- Promote lifelong learning opportunities for all while encouraging creativity, curiosity, and collaboration
- Support the economic and cultural vitality of the communities we serve by training qualified workers
- Initiate, direct, and support leadership in community, cultural, artistic, and intellectual development

**Key Performance Indicators:**

- Increase the number of strategic community and industry partnership (baseline established in 2022)
- Increase the licensure/certification pass rate by 5% (2022-2027)
- Increase the number of community events hosted by the College (baseline established in 2022)

**Direction Five: Organizational Culture**

*Support the College's vision and mission and invest in its employees to create a dynamic workplace*

**Strategic Goals:**

- Ensure financial resiliency and long-term sustainability of the institution
- Regularly review institutional structures and processes for relevancy and efficiency

- Increase opportunities for the College to engage with the community
- Identify, attract, and retain talented faculty and staff with competitive compensation and professional development opportunities
- Celebrate the success of our students and employees

**Key Performance Indicators:**

- Pursue additional resources to support college programs and scholarships
- Increase the number of employees participating in professional development activities (baseline established in 2022)
- Increase the number of faculty, staff, and students engaging in community service (baseline established in 2022)

## Trend Analysis

## Terms and Definitions

---

Some of the terms used in this Fact Book are defined in this section. Unless otherwise noted, the definitions are taken from the Glossary of the Florida College System Fact Book or from 2013 Florida Statutes.

### **Academic Year (AY)**

Statistics in this Fact Book follow the Florida Department of Education definition of the academic year—beginning with the Summer term and ending with the Spring term. (e.g. AY 2022-23 would be Summer 2022, Fall 2022, and Spring 2023.)

### **Advanced and Professional (A&P)**

A program area with courses designed to provide the first two years of course work leading to an advanced or professional degree, including general education and specialized lower division courses to complete a transfer degree. It does not include college preparatory or non-college credit courses.

### **Advanced Technical Certificate**

A program of instruction consisting of at least nine hours and less than 45 credit hours of college level courses. Students in these programs must have already received an associate in science degree and are seeking an advanced specialized program of study to supplement their associate degree.

### **Associate in Arts Degree (A.A.)**

Two-year degree program designed to transfer to a four-year institution. Florida has a statewide articulation agreement between the Florida College System and the State University System.

### **Associate in Science Degree (A.S.)**

Programs of instruction consisting of college-level courses to prepare students for entry into employment or transfer to a four-year institution. Two year technical degree that contains 15-18 credit hours of transferable general education.

### **Applied Technology Diploma (A.T.D.)**

Courses that are part of an A.S. or A.A.S. degree and lead to employment in a specific occupation. An A.T.D. may consist of either vocational or college credit.

### **Career Certificate**

Career certificates (non-college credit), vary in length, and prepare students for immediate employment.

### **College Credit**

The type of credit assigned to courses or course-equivalent learning that is part of an organized and specified college degree or college credit certificate program.

### **College Credit Certificate**

Short-term career education program which is part of an A.S. degree.

### **College Preparatory Instruction (CP or College Prep)**

See Developmental Education.

### **Completer**

A student who finishes a planned sequence of courses or competencies designed to meet an academic or vocational occupational objective and has met all of the requirements of the institution for program completion.

### **Continuing Workforce Education (CWE)**

The classification of instruction designed to improve job skills of employed persons. It may be tailored to a given employer and job (customized) or it may have broader applicability. CWE programs are not funded.

### **Developmental Education**

Instruction through which a high school graduate who applies for any college credit program may attain the communication and computation skills necessary to successfully complete college credit instruction.

### **Dual Enrollment**

Enrollment of an eligible secondary student or home education student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree. *Note: By IPEDS definition,*

*dual enrollment students are not considered degree-seeking.*

**First Time in College (FTIC)**

A student attending a college for the first time who has no credit toward a degree or formal award from any other institution who is enrolled in a course in an instructional area leading to a degree or certificate.

**Full-Time Credit Student**

Any student enrolled for 12 semester credits or 24 or more contact hours during the fall or spring terms.

**Full-Time Equivalent (FTE) Enrollment**

Student semester hours divided by 30 for advanced and professional, postsecondary vocational instruction, and developmental education. For all other instruction, instructional clock hours divided by 900 hours.

**Non-degree Seeking Student**

A student enrolled in courses for credit who has not declared that he/she is seeking a degree or formal award.

**Nonresident**

A student who is not a Florida resident and must pay the full tuition fees.

**Part-Time Student**

A student who is enrolled in less than 12 semester credits or less than 24 contact hours during the fall or spring terms.

**Postsecondary Vocational (PSV)**

College credit job preparatory programs, through which a student receives an A.S. degree, college credit certificate, or A.T.D. upon completion of instruction.

**Resident for Tuition Purposes**

A student who is a Florida resident and has maintained that residency for at least one year, and therefore not responsible for the payment of nonresident tuition fees.

**Unduplicated Headcount**

A count of the number of students enrolled in a specific period (i.e., semester, academic year) with each individual student counted once. Enrollment figures for a single term are unduplicated unless otherwise noted (as in the case of program enrollments—students may be enrolled in multiple programs in a single term). Annual (3-term aggregate) enrollment figures are typically duplicated unless otherwise noted.

**Vocational Credit** (also referred to as Occupational Credit)

The type of credit assigned to courses or course equivalent learning that is part of an organized and specified vocational certificate program.
