

Job Aid for My Student Dashboard

GCSC is updating the Lighthouse system. During this time, you will use portions of the new Lighthouse software that we have implemented. Some portions will be the “old” Lighthouse look with which you are familiar. Over the year, we will continue to implement the new portions of the “new” Lighthouse and we’ll let you know when we release the updates with instructions of how to use them. Give it a try...if something doesn’t work, contact Technical Support at 850-913-3303.

THAT'S THE STUDENT PROFILE PAGE!

Click the back button on your browser to return to My Student Dashboard.

The second link is REGISTRATION and will take you to the "old" Lighthouse registration process. We look forward to moving this to the "new" Lighthouse process, but it takes a bit of time to implement it. We are working on it!

The third link is to FINANCIAL AID and it will take you to the "old" Lighthouse Financial Aid information pages.

The fourth link is to Student Employment for STUDENT ASSISTANTS AND WORK STUDY. You can apply for On-Campus Student Employment here!

The final link is for Student Employees to submit timesheets and see their paystubs. This goes back to the "old" Lighthouse process.

We believe in continuous improvement and welcome your input. Don't hesitate to let us know what you think!
