Degree differences

Associate of Arts
Associate of Science
...But what's the difference?

- **Associate of Arts Degree** -

- University Transfer Degree – a two-year degree designed for you to transfer to a Florida public four-year institution as a junior to complete a bachelor's degree program. The A.A. degree provides the courses of study equivalent to those offered in the freshman and sophomore years at Florida's state colleges and universities, or you can choose one of GCSC's 4 Bachelor Degree programs
- The AA degree requirements consist of general education requirements and electives to prepare for a Bachelor's degree
- Many majors at the universities require specific courses to be taken as part of the AA degree, both within general education and within the electives. Known as common prerequisites, these specific courses are to be taken prior to transferring by all students who plan to enter a particular major within the university system
- GCSC University Transfer Tracks are designed for a student who plans to earn the Associate in Arts degree and transfer to one of the state universities or state colleges in Florida as a junior.

- **Associate of Science Degree**

- Workforce/Technical Degree - a two-year degree designed to teach you the skills and credentials to enter the workforce
- Not intended to transfer to a university but some courses may be applied to an AA/Bachelor's degree program

- **Certificate Programs-**

- Highly specialized programs that vary in length as indicated by state frameworks and prepare a student for immediate employment in a particular field

- **Bachelor of Applied Science (B.A.S.)**

- The B.A.S. degree is a baccalaureate degree designed to prepare students to enhance and/or advance their career
- GCSC B.A.S. degrees include Digital Media, Organizational Management, and Technology Management
- Students must complete an A.S. degree in a business or technology related discipline OR an A.A. degree to be eligible for a B.A.S. program

- **Bachelor of Science in Nursing (B.S.N.)**

- The Bachelor of Science in Nursing program is an RN-BSN completion program that builds from associate in science degree coursework, allowing an RN with an associate's degree in nursing to earn a Bachelor of Science degree

Academic Policies

- **Grade Forgiveness-** Students may repeat a course when a grade “D” or “F” has been earned. Only the final grade received shall be used in computing GPA. Universities/financial aid may count forgiven grades in calculating GPA.
- **Excess Hours** are defined as hours that go beyond 120% of the hours required for a baccalaureate degree. Withdrawals, repeats, enrollment in courses non-essential to major, may contribute to an excess hours surcharge.
- **Total Attempts-** Only GCSC courses are counted in attempts. A student may only repeat a course with a “D” or “F”.
- (contd.) An appeal through Enrollment Services must be made to retake a course with an “A”, “B”, or “C” grade..
- **Third Attempt-** Students must meet with an Academic Counselor to register for a third attempt. A student may request a waiver for the additional cost of the course by submitting the Third Attempt Waiver.
- **Withdrawals-** Two withdrawals are permitted per course. On the third attempt, a grade will be assigned. Be concerned about withdrawals. Universities may calculate withdrawals as grades.

Academic Policies contd.

- **Attendance-** Students are expected to attend all class meetings and are expected to know the instructor's specific attendance policy, as stated in the syllabus for each course.
 - In the event of absence, contact your instructor as soon as possible to indicate the reason and to inquire whether make-up work is possible.
 - If your absence in a class becomes excessive, your professor may contact you, indicating that further absence may result in your withdrawal from the course.
- **No Show-** Instructors monitor attendance at the beginning of each semester. If you are not in attendance during this period, you may be withdrawn from the course. You will be financially responsible for the course and a "W" or "NS" will appear on your transcript.
