

### **MISSION OF GULF COAST STATE COLLEGE:**

Gulf Coast State College holds students and community of central importance. The College provides many opportunities for learning and offers a range of programs and services to help students become well-educated, productive citizens. The College is equally dedicated to collaborating with the community to help create or improve economic well-being and to offer the space of the College for social dialog, events of art and culture and other moments that enhance our quality of life.

### **MISSION OF THE DIVISION OF HEALTH SCIENCES:**

The Division of Health Sciences strives to maintain high levels of academic and clinical standards while providing the allied health community with effective and highly motivated professionals. This goal is to be achieved by meeting the diverse needs of students through academic advising, recruiting, counseling, and innovative teaching and learning strategies.

### **MISSION OF THE RN-BSN PROGRAM:**

It is the mission of the Gulf Coast State College (GCSC) Registered Nurse-Bachelor of Science in Nursing (RN-BSN) program to serve as a bridge for the Associate degree or Diploma Registered Nurse into advanced professional practice, leadership and management positions, community health experiences, and other endeavors which will improve the quality of nursing practice in our region and beyond. The academic and clinical practice enhancement of the local nursing workforce and the advancement of nursing science are central to this mission.
