Equivalency of Training (EOT) Application - Instructions

For law enforcement, correctional or correctional probation officers in another state, a federal agency or the military, or a former Florida officer with more than four years break in service, to obtain certification as an officer in Florida without first attending a full basic recruit academy in Florida, they must (1) successfully complete an **EOT Evaluation** showing that they attended sufficient basic training and were employed full time as an officer for at least 1 year in a job that ended no more than 8 years ago, and; (2) **Demonstrate proficiency** in certain high-liability physical skills (defensive tactics, firearms, medical first responder, and for law enforcement officers only - driving) at a Florida Criminal Justice Training Academy; and (3) pass the Florida **State Officer Certification Examination**. You must complete each step before progressing to the next. In order for us to evaluate your training and employment you must submit an application providing us with information, execute a waiver authorizing us to make inquiries, and pay a fee. We will then complete the evaluation. If you qualify, you will receive a Criminal Justice Standards and Training Commission (CJSTC) Form 76 by certified mail from us, showing your eligibility to proceed with the Proficiency Demonstration and the state examination. To allow enough time for the evaluation, submit your application well in advance of the date you intend to attend a review course or take the SOCE. (Please allow 4 to 6 weeks minimum for the evaluation step.) All information provided by applicants is subject to verification.

How To Apply:

ONE: Complete the **Equivalency of Training (EOT) Application**. To qualify, your employment records must establish that you were employed as a full-time (40 hours per week) sworn law enforcement officer (authorized to bear arms and make arrests), or correctional officer or correctional probation officer, either by working for a single agency for one full year, or for a cumulative twelve full months at two agencies within an eighteen-month period. Qualifying employment cannot include time spent in an academy, even if you were receiving pay while attending the academy. There cannot be more than an 8-year gap from the end of your most recent qualifying employment to the submission of your complete EOT Application. Employments that typically do not establish EOT qualification are seasonal, part-time, reserve (civilian or military), volunteers, military security forces, military vessel-boarding teams, etc. The application must be notarized. We verify all qualifications in writing. **Your employer will be contacted, no exceptions.**

TWO: Execute the waiver we need to verify your training and employment, FDLE “Authority For Release of Information” (CJSTC Form 58), included with this EOT Application. This waiver must also be notarized.

THREE: (Former Florida officers skip this step.) Attach all documentation (course outline **and** certificate of completion) showing that you completed training in all the required subjects listed below for your discipline (law enforcement, corrections or correctional probation). This training may be from your employer, an accredited college, or a certified state, local, or federal training academy.
